Chapter 1 by Unspoken Wordz

Its always been easier for me to write then to speak.

Unfortunately for me I live in a world where words are rarely taken seriously

Bkuz the actions u use speak more loudly and clearly

Everything I write has meaning,but not everyone believes me

So Im either forced to write it all down never to be seen

Or wen I do try to speak it comes out all wrong and sometimes really abrasive and mean

Majority of the time tho I wont say anything

Ill keep everything to myself and leave some very meaningful things left unheard

But the thing about that is...

There are alot of ppl who at one time or another meant a whole lot to me,probably still do

But never will they know or understand just how deeply their meaning was to me...

Bkuz 9 times out of 10,it was only spoken thru my pen onto paper that will only ever get seen by me...

Thee End
